

CREATIVE BRIEF

Workshop 06

	Name: Jessica Seapno		Class: GIT314
--	--------------------------------	---	-------------------------

<i>Theme/Premise</i>	<i>Target audience</i>	<i>Deliverables</i>
Chaotic Eye Transition Motion Graphic	All Ages - Content Creators, Video Editors, Graphic Designers	.aep file .ai file .psd file

<i>Concept</i>
An eye that opens into a mysterious warped void as it zooms into the pupil of the eye while letters swirl into motion of the brands name, then fades to black.

CREATIVE BRIEF: WORKSHOP_06 Commercial Applications

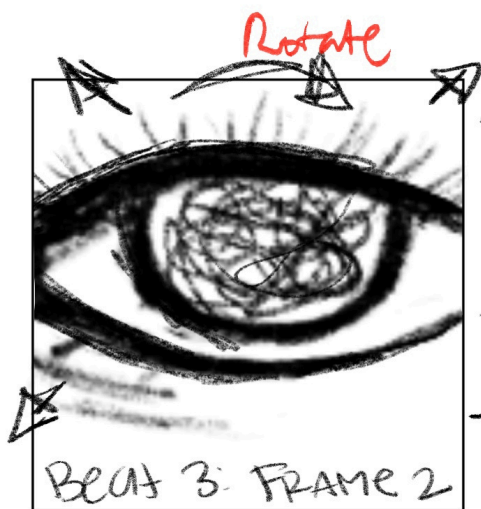

Target MARKET: For content creators + their branding on social media & portfolio posts.
& Applications

- opacity increases for 1 sec
- image fades in w/ BG
- "zoom-in" to eye via scale

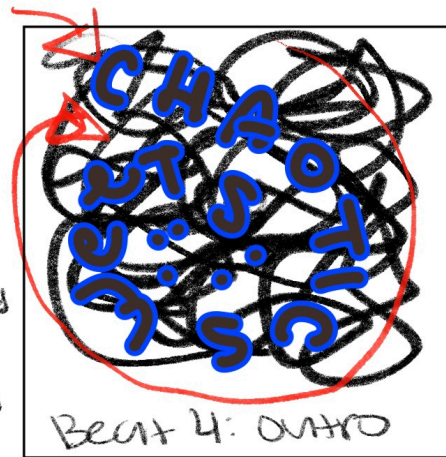

- scale increases, zooming in on eye
- eye is halfway opened.

- zoomed in on pupil
- eye fully opened
- pupil has moving squiggles
- zoom into eye squiggles

- eye also rotates to beach swirl motion.

- letters enter swirling towards the center while chaos squiggles continue.
- Fade to black
