

CREATIVE BRIEF

Project 1

	Name: Jessica Seapno		Class: GIT314
--	--------------------------------	---	-------------------------

<i>Theme/Premise</i>	<i>Target audience</i>	<i>Deliverables</i>
Lofi Window Loop	All Ages - For those that need ambience in the background, etc.	.aep file .ai file .psd file

<i>Concept</i>
A fade into a dark room. Steam emerges from the cup as the light slowly turns on. The room gets a tad brighter as the rain starts to slide down the window pane. Clouds begin to pass by as the light turns off, then fade to black. (OMIT Cat text)
